

2026 Spring Programs

February 2, 2026 – June 20, 2026

Early Registration: 10% if registered by January 10, 2026

Special Spring Programs

- **Digital SAT / ACT** (10th – 11th grades)
Weekly test and review for March, May, or June Exam
- **AP Test Prep** (10th – 12th grades)
Qualified instructors, topic review, and 6 full practice tests with review
- **Increasing School GPA** (9th – 12th grades)
Using same textbooks as those in class, we help students boost their GPA with material they already use
- **Essay Contest Prep** (6th – 12th grades)
Learn how to write competitive essays to contests like Scholastic and NYT Open Letters
- **Columbia Science Honors Program** (9th – 11th grades)
For 9th to 11th grade students with a strong interest in STEM are taught by instructors from Columbia University.

Early Registration Benefits

Register **by December 30th** to receive:

- 10% off tuition
- **Amazon gift card \$25-\$50**
- **Free** Math Contest Registration!

Math Competitions

Honors Review is a certified math competition center for both AMC and Math Kangaroo.

AMC 8 Competition

6th – 8th grades
January 27th, 2026
Fee: \$20

Math Kangaroo

1st – 12th grades
March 19th, 2026
Fee: \$18 or \$35

Please note that class size, whether in person or virtual, will be small and taught by experienced teachers.
